

THE MENTOR AND SHARED MINISTRIES

DISCOVER:

1. That discipleship and mentorship go deeper than just instructions in lessons.
2. That learned scribes are those who show Christ through their lives.
3. That the goal of the great commission is: to make disciples, that is, learned scribes in the kingdom of heaven.
4. That Ministry is both being and doing.

TRAIN:

1. Develop your mentees as “*Matheteuo*”, that is, as an expert or qualified person in the kingdom.
2. Share the ministry and give service opportunities to young people in order to develop their talents and abilities.
3. That ministry is not simply doing for Jesus but allowing Jesus to do through me His service of giving His life for others.
4. That shared ministry comes from the fruits of the indicative when fulfilling the imperative.

THE MENTOR AND SHARED MINISTRIES

EMPOWER:

1. To live and serve in the ministry of the Spirit where we are being transformed into His same image with ever-increasing glory which comes from the Lord, who is the Spirit. 2 Corinthians 3:18
2. Train young people as learned and develop the maximum of their potential in a holistic way.
3. Young people to become living temples and moving tabernacles allowing Jesus to shine through us in any ministry.
4. That your passion as a mentor be like Paul's "Present everyone fully mature in Christ."
