INTRODUCTION

What is the Global Week of Prayer?

It is a week when Nazarenes around the world take time each day to talk to God, give thanks, and pray for an area of the world where our church is present and active.

How did it get started?

Prayer is important, and the church around the world understands that we need to pray that God will expand his kingdom with our help. The World Day of Prayer began in 1887 on the first Friday in March. Since then, people around the world have prayed for missions on that day.

When the Church of the Nazarene joined together with other Christians for this purpose, we also saw the need to make this a week-long focus on prayer for missions. We give thanks for all that God has done in and through our church around the world. And we also pray together for our Nazarene Missions family everywhere. You can pray for missions and use this journal throughout the year, but let's start right now during this special week.

This is your Prayer Journal, so put your name on the front page and get ready for an adventure with God. Pray, write, and draw as you hear about how God is at work through the Church of the Nazarene. Each day, we will pray for one of our six regions around the world. What region are you a part of?

DAY 1

GLOBAL CHURCH

THANK YOU, GOD...

For the pastors, missionaries, leaders, and church members that are sharing your Word around the world, and because of that, our church is growing.

- Draw a picture of your church and church family and thank God for them.

DEAR JESUS...

Help Nazarenes everywhere, even me, to be more like you when we talk, walk, and do all the things we do each day. Help us to remember that you died on the cross and rose again to save us.

- Draw a picture below of you and Jesus on an adventure.

WHERE IN THE WORLD

As you color the map, think about how big the world is. God loves the people in all of these places because he created them just like he created you.

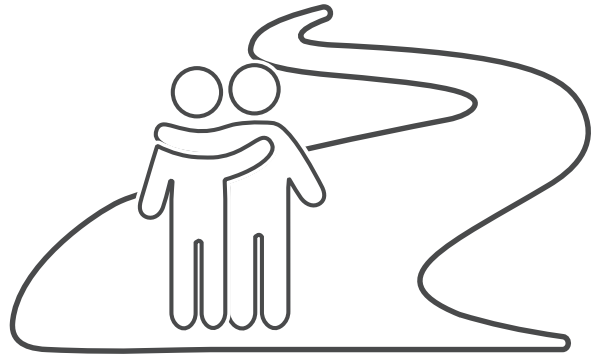

Tell God something about your church that you are thankful for.

Think about somewhere else in the world you would like to visit. Ask him to be at work in that place. Share with him why this place is important to you.

DAY 2

EURASIA REGION

THANK YOU, GOD...

For the people leading churches in the Eurasia Region. Thank you for the many ways they help others meet Jesus. Help them as they plant churches and talk about you, using tools like the *JESUS* film.

- Think about ways to show your friends who Jesus is through the year, then draw or write some of those ideas below.

DEAR JESUS...

We pray for the Eurasia Region and all first responders who are serving in difficult places. Help them to focus on you. We pray for the youth, that they would be filled with the Holy Spirit and follow God's call to serve.

- Draw a picture below of the Holy Spirit over the world (as you imagine him).

WHERE IN THE WORLD

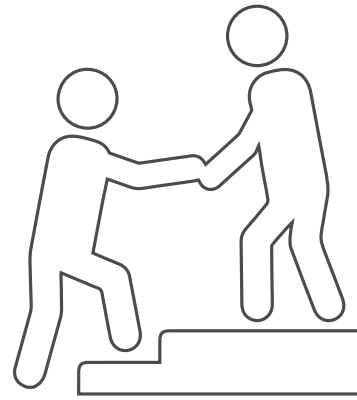

As you color the map of the Eurasia Region, think about what you have thanked God for and prayed to him about for this region.

Is this the region where you live? Do you know someone who lives on this region? Take some time as you color to talk to God and a grownup you trust about this place many call home.

DAY 3

USA/CANADA REGION

THANK YOU, GOD...

For times when people can gather and learn more about you. Thank you for people who gather and go out to show your love through action to their neighbors and community.

- What is something you can do for a neighbor to show them Jesus' love for them? Draw a picture of you doing that.

DEAR JESUS...

Help the USA/Canada Region, and each of us, as we are out and about in our community. Help us to see people the way you see them. Help them to know you through our words and actions.

- Below, write the name of one person you hope will ask Jesus to be their Savior, then ask God to help you share Jesus with them.

WHERE IN THE WORLD

As you color the map of the USA/Canada Region, think about what you have thanked God for and prayed to him about for this region.

Is this the region where you live? Do you know someone who lives on this region? Take some time as you color to talk to God and a grownup you trust about this place many call home.

DAY 4

MESOAMERICA REGION

THANK YOU, GOD...

That we can pray and talk to you when difficult things are happening around us. We know you hear us and are at work. Thank you for all the good things happening in the Mesoamerica Region.

- Write down three things you are thankful for.

DEAR JESUS...

The country of Haiti has had a lot of trouble and things are not good. Please help the young people and the church there to keep their eyes on you. We also pray for the youth that gathered for a special event; help them to stay true to the life you called them to.

- Draw a picture of what you think a youth event would look like and pray for those who attended.

WHERE IN THE WORLD

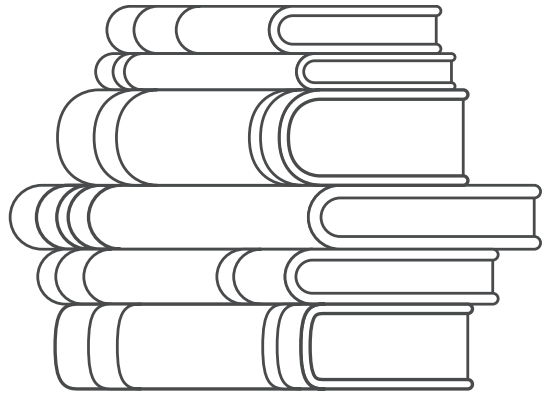

As you color the map of the Mesoamerica Region, think about what you have thanked God for and prayed to him about for this region.

Is this the region where you live? Do you know someone who lives on this region? Take some time as you color to talk to God and a grownup you trust about this place many call home.

DAY 5

ASIA-PACIFIC REGION

THANK YOU, GOD...

You are at work all over the Asia-Pacific Region. Thank you for the people in this region who are studying to be pastors, missionaries, and church leaders. Help them to share the good news with others.

- Write down one thing you would like to know more about Jesus. During the year, ask grownups you trust to teach you more about him.

DEAR JESUS...

There are so many people in the Asia-Pacific Region who have not heard about you. Help people to hear your call to go and talk to these people, so they know you love them, just like you love me.

- Draw a picture of Jesus on the cross and you standing next to him. Then, explain your picture to a grownup.

WHERE IN THE WORLD

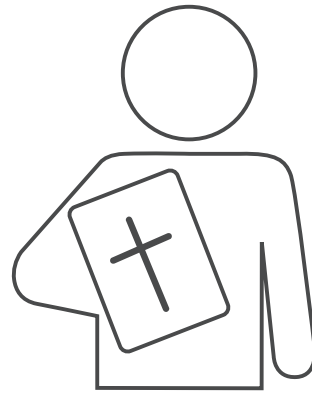

As you color the map of the Asia-Pacific Region, think about what you have thanked God for and prayed to him about for this region.

Is this the region where you live? Do you know someone who lives on this region? Take some time as you color to talk to God and a grownup you trust about this place many call home.

DAY 6

AFRICA REGION

THANK YOU, GOD...

For Sunday school teachers, pastors, and missionaries who teach others about you. Help everyone who loves you to share that love with others, so more people will be part of your family.

- Write down the name of someone who has taught you about Jesus! Then, tell them “Thank you” for sharing Jesus with you!

DEAR JESUS...

Please protect our church family in Africa who live in dangerous places. Give them hope, and provide for all of their needs. In places where there are no churches, call others there to help you share the good news.

- How would you start a church in a new place? By telling them about Jesus or doing something else first? Write down your answer, then talk about it with a grownup you trust.

WHERE IN THE WORLD

As you color the map of the Africa Region, think about what you have thanked God for and prayed to him about for this region.

Is this the region where you live? Do you know someone who lives on this region? Take some time as you color to talk to God and a grownup you trust about this place many call home.

DAY 7

SOUTH AMERICA REGION

THANK YOU, GOD...

For the young people who were part of a special youth event in Peru. Help each one to remember what you showed them. Thank you for all of the pastors. Help me and others to always pray for our pastor.

- Write your pastor's name below, make them a card, or draw a picture so they know how special they are to you.

DEAR JESUS...

We pray for the South American Nazarenes that you have called to be pastors, teachers, and missionaries as they share your good news where they live. Help them in all they do.

- Draw a picture of what you want to be when you grow up. Then, ask God to help you learn how to do that well, so he can use you.

WHERE IN THE WORLD

As you color the map of the South America Region, think about what you have thanked God for and prayed to him about for this region.

Is this the region where you live? Do you know someone who lives on this region? Take some time as you color to talk to God and a grownup you trust about this place many call home.

Think about the top three lessons you've learned this week in praying for missions around the world. Write down one word that describes each of these lessons. Now, draw a picture that shows these important lessons, and include your three words in your drawing.

Pray that God will help you remember what you've learned through prayer for others and continue to pray throughout the year using the calendar on the next two pages.

PRAYING THROUGH THE YEAR

Did you know you can continue learning about what God is doing around the world by asking an adult you trust to sign up for a weekly NMI email called NMI Central? NMI Central comes out each Wednesday and shares information, a short story, prayer requests, and praises from a country or world area where the Church of the Nazarene is at work. The first Wednesday of the month features a special kid's section called Kids Kaleidoscope. Ask an adult you trust to sign up to receive NMI Central here: nazarene.org/nmi-central.

To keep learning and praying, use the calendar below to mark the countries and areas you learn about through NMI Central and Kids Kaleidoscope. On the first Wednesday of each month, write down the place and region NMI Central focuses on. Then, in one year, you can look back at all the places you have prayed for! Enjoy this adventure with God!
