How God uses our gifts through the World Evangelism Fund

In Candeias, Brazil, a four-person church was started in a garage in 2006. In just two short years, the church grew to become a community of more than 500 members. Connect the dots to make a garage.

In 2006, four missionary families moved to Singapore to embark on a great adventure for God. Many of them began churches in their very own homes. Draw the other half of the picture below.

Like the Petrus family, missionaries often move to other countries. Their family moved from the Netherlands to Curaçao to begin the work of the Church of the Nazarene there. Guide their family through the maze to help them reach their new home.
