## Why the children?

Because all the time, children have been a part of God's plans.

God did not accept that they stayed in Egypt. Exodus 10: 9-20, 24

God gave a commandment to be taught from childhood. Deuteronomy 6: 7

Because they are taken into account from the womb of their mother.

Because Jesus said that, "theirs is the kingdom of heaven" and therefore we are indebted to all the children of the world. Matthew 19:14
